## ARTICLE I

### SALARY SCHEDULE

A. 1. The Board and the Association hereby agree to apply an increase of 2.3% (inclusive of increment) of the 2012-2013 salary base to create a 2013-14 salary guide, to apply an increase of 2.5% of the 2013-14 salary base to create a 2014-15 guide, and to apply an increase of 2.5% (inclusive of increment) of the 2014-15 salary base to create a 2015-16 salary guide. It is understood that these are aggregate amounts and do not reflect actual salary increases for individual staff members. The salaries for all unit members for the 2013-14, 2014-15 and 2015-16 school years are set forth on Schedules "A-1," "A-2" and "A-3" attached to and made a part of this Agreement.

2. Longevity shall be defined as continuous service in the Mendham Borough School System. Continuous service shall be defined as years of service in Mendham Borough without interruption by reason other than an approved leave of absence or a reduction in force. A teacher resigning from his/her position and returning later shall not be considered to have continuous service.

Longevity pay will be added to teachers' pensionable salaries based on the following criteria:

\$1,400	After 15 years of continuous service
\$1,500	After 20 years of continuous service
\$1,600	After 26 years of continuous service

The longevity pay amounts set forth above shall not be cumulative.

Such years of continuous service shall be completed prior to September 1 for a teacher to be eligible for longevity pay.

A teacher must work a minimum of one-half of the school year, currently ninety-three (93) school-calendar days of a possible one hundred eighty-five (185), to be eligible for movement to the next step on the salary guide and to earn a year of continuous service towards longevity. Longevity pay shall be prorated for part-time teachers in accordance with the formula used to calculate part-time teachers' salaries.

B. STRUCTURE - The salary schedule is structured to provide for movement in two directions, vertical, referred to as steps; and horizontal, referred to as levels.

1. STEPS - Advancement at each step on the salary schedule shall be as provided herein. Steps shall correspond to years of accredited service.

The number of sick leave days not used by the teacher during a school year, shall be added to the individual teacher's accumulated sick leave. Sick leave days in a given year are defined as equal to the full time equivalent for which a teacher is employed.

Immediate family shall be considered to be father, mother, spouse, domestic partner (*N.J.S.A. 26:8A-3*), child, brother, sister, or any relative residing in the immediate household. Suitable medical evidence of disability may also be required from any teacher whose absence extends beyond two school work weeks in duration and therefore as deemed necessary by the Board of Education.
- F. When a teacher employed prior to June 30, 1995 leaves after ten years of continuous service to this district she/he shall receive a lump sum payment calculated at the rate of \$45 per day for the duration of this Agreement. For teachers employed after June 30, 1995, this benefit will apply only upon retirement for age and/or service or disability through the TPAF, with immediate payment of retirement benefit.

The amount shall not exceed \$7,000.00. This sum shall be paid within twelve (12) months of the separation date.

Beginning in the 1998-1999 school year, if a new job category is added to the bargaining unit, and if members in that category were not entitled to the benefit prior to the addition that category, then on the first day of the first contract year, the benefit will be capped at \$700.00, and on the first day of each successive contract year, the benefit cap will be

increased by an additional \$700.00. When the category has been in the bargaining unit for ten complete contract years, the benefit will be the same as that for all other bargaining members.

Additional days may be granted by the Board for special or unusual circumstances upon the recommendation of the Superintendent. During the period of actual disability, a Teacher may use his/her accumulated sick leave. Suitable medical documentation will be provided in support of the disability.

2. 1. A Teacher under tenure may request and shall be granted an unpaid childcare leave for the purpose of caring for a child for a basic duration of up to eighteen (18) consecutive months. The Board of Education may, however, grant a longer or shorter child rearing leave to enable a Teacher to return to work at a time mutually agreeable to both parties and to ensure a continuity of instruction.
2. A non-tenured Teacher may request and shall be granted an unpaid childcare leave for the remainder of the year during which such leave was granted.
